# POTTERY PAINTING

---

**DURING THIS POTTERY PAINTING WORKSHOP YOU WILL APPLY A HAND PAINTED DESIGN ONTO A PRE-FIRED CERAMIC PIECE. CHOOSE FROM A DECORATIVE VASE, A HOMELY TEAPOT OR AN ATTENTION GRABBING PLATTER!**

*Our friendly and supportive ceramicists will provide all the tools you need, including design inspiration, application tips, colour scheme suggestions and simple motifs to get you started.*

*Even the most fearful of creators will be able to produce bold and beautiful designs worthy of taking centre stage at your next social gathering - or to show off on the gram!*

*It is a great opportunity to connect with your colleagues in a friendly and sociable way and makes a change from the usual work or home office environment. You and your colleagues can switch the work chat off for a few hours and perhaps learn some new things about each other.*

*We will fire your pieces in our kilns and arrange collection with you a few weeks later.*

# POTTERY BUILDING

---

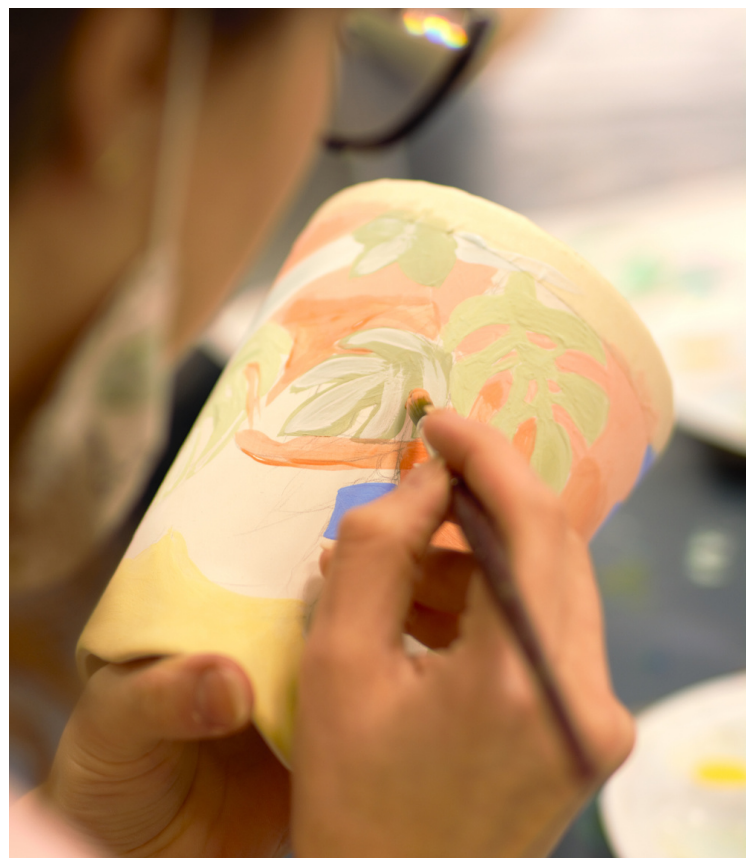

**DURING THIS POTTERY WORKSHOP YOU WILL GET THE CHANCE TO TRY YOUR HAND AT SLAB BUILDING AND CREATE YOUR OWN DECORATIVE VASE/MUG. YOU WILL ALSO GET THE CHANCE TO THROW A POT ON THE POTTERY WHEEL WITH EXPERT GUIDANCE FROM OUR DESIGN CERAMICIST.**

*This creative, hands-on workshop is a great opportunity to focus on a mindful activity that will make a change from the usual work environment. You will find a friendly and relaxed atmosphere in our pottery studio, with supportive and talented staff who will make your experience a success.*

*Included within the package is two firings and glazing which means you will create a completed and unique handmade piece that you can use in your own home or even give as a gift!*

*It is a great opportunity to connect with your colleagues in a friendly and sociable way and even the most inexperienced of you will be amazed at what you can produce!*

*Who knows, among you may be a true potter at heart, even a possible future contender on 'The Great Pottery Throwdown'!*

# GUIDED PAINT ALONG VIA ZOOM

---

THIS GUIDED STEP-BY-STEP PAINT ALONG WORKS IN EXACTLY THE SAME WAY AS THE IN PERSON VERSION - IT'S JUST VIA ZOOM! A GREAT WAY TO MAKE SUCH A VALUABLE WORKSHOP AVAILABLE TO THOSE ALL OVER THE COUNTRY!

*Choose from a selection of acrylic paintings for your session and our professional tutors will demonstrate live on the camera how to go from a blank canvas to a fabulous end result.*

*We are extremely experienced in teaching the most terrified of absolute beginners and all of our projects are tailored to be achievable - even for someone who hasn't ever picked up a paintbrush!*

*We send out a materials pack with everything you will need so all you need to do is log on! You can even hold a blended version with people in the office and other colleagues at home if that works better for your team - perhaps you would like to extend the invite to your clients too! Then relax (perhaps with a cheeky glass of wine) and create something you can be proud of.*

# GUIDED PAINT ALONG IN PERSON

---

## WHAT IF I HAVE FEWER THAN 10 PEOPLE?

THAT IS ABSOLUTELY FINE, WE CAN STILL GO AHEAD WITH YOUR WORKSHOP BUT THE MINIMUM CHARGE FOR 10 PEOPLE WOULD STILL BE APPLIED.

SOME COMPANIES TEAM UP WITH ANOTHER COMPANY OR THEIR CLIENT'S COMPANY TO INCREASE NUMBERS. THIS CAN REALLY HELP WITH CLIENT RELATIONSHIPS
